## Wednesday, October 18<sup>th</sup>

We always have some problems in our schools (Venezuela's schools) but what kind of problems? Think about a problem and a solution.

**Example:**

*Bullying is one of the most common problems that we have in our schools... (more information)*

*In my opinion, I think that we need to do an interview with the psychologist once in a year because... (more information)*

That's an example, but you have to write complete **problems** and complete **solutions**.
