Read the text and answer the questions about Newham.

I come from a small town called Newham. The town is very modern, so there aren't old buildings in it. There are only two restaurants in town. There is also a small hospital and two high schools, but isn't a university. The nearest one is 200 kilometers away.

Newham is a nice, quiet town. There aren't many cars in the streets. The problem is that it is sometimes boring. There aren't any movie theaters, and there isn't a public swimming pool for the summer. Finding accommodation is also very difficult, because there aren't any hotels in town. The best thing about Newham is the landscape: there is a beautiful lake just outside the town and there are a lot of high mountains, too.
